

Reliable Industrial Solutions

Your trusted partner for all your industrial equipment, supplies, and repair services.

Our Services

Industrial Part Sales

Access thousands of tested new, surplus, and refurbished automation parts. We provide same-day shipping and a solid 2-year warranty on every item.

Expert Repair Services

Component-level repairs for drives, PLCs, and HMIs by certified technicians. Every unit includes full-load testing and an industry-leading 2-year warranty.

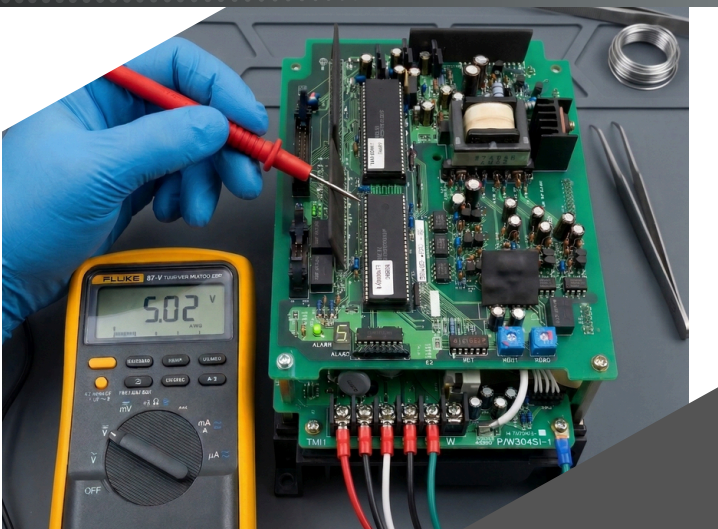

Obsolete Part Sourcing

We find the rare, discontinued parts others can't. Our global network ensures rapid procurement of verified legacy components to end your downtime.

Preventative Maintenance

Minimize downtime with expert on-site maintenance. Our technicians come directly to your facility to inspect, clean, and service critical systems before they fail.

Why Choose Us?

As a family-owned, ISO 9001:2015 certified partner, Roc Industrial combines expert technical capabilities with unmatched personal service.

- ✓ ISO 9001:2015 Certified
- ✓ Comprehensive 2-Year Warranty
